**Mask-free  
with Covid  
it's like I can  
spit bullets—  
covidize anyone.**

**Sleepy Joe,  
where are  
you?**

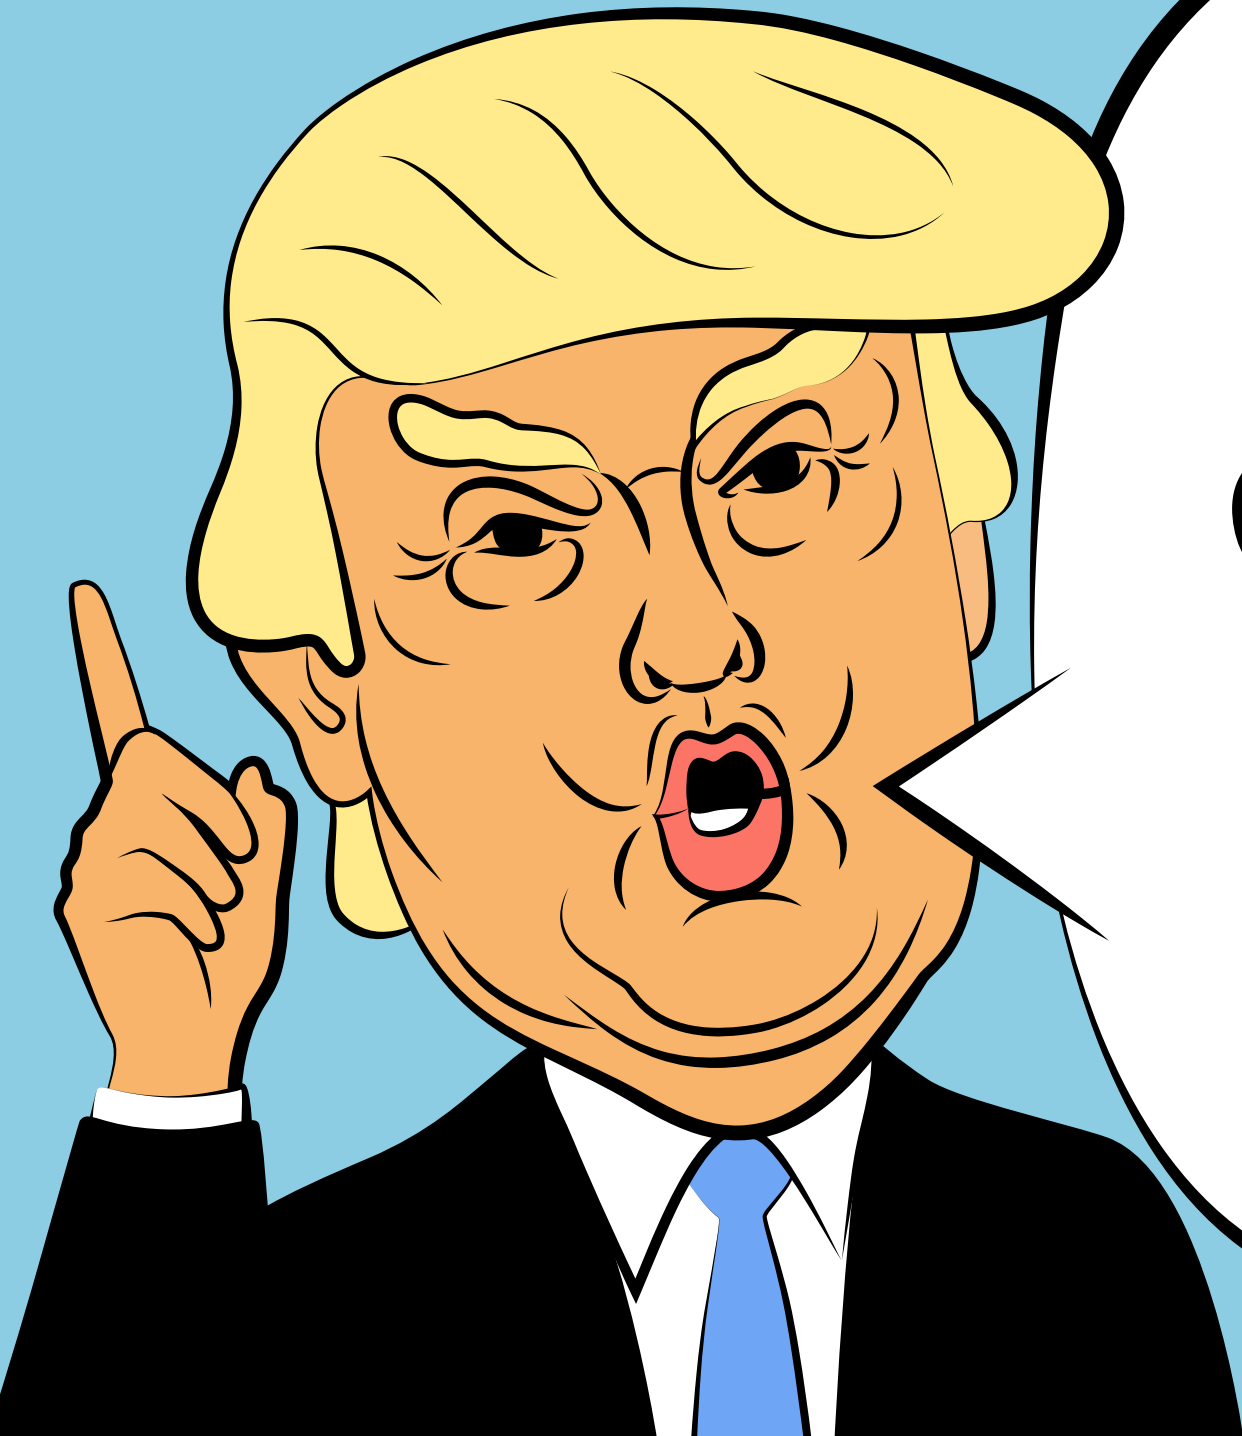

**My  
Covid care—  
fantastic!  
Very best meds,  
docs, hospital...**

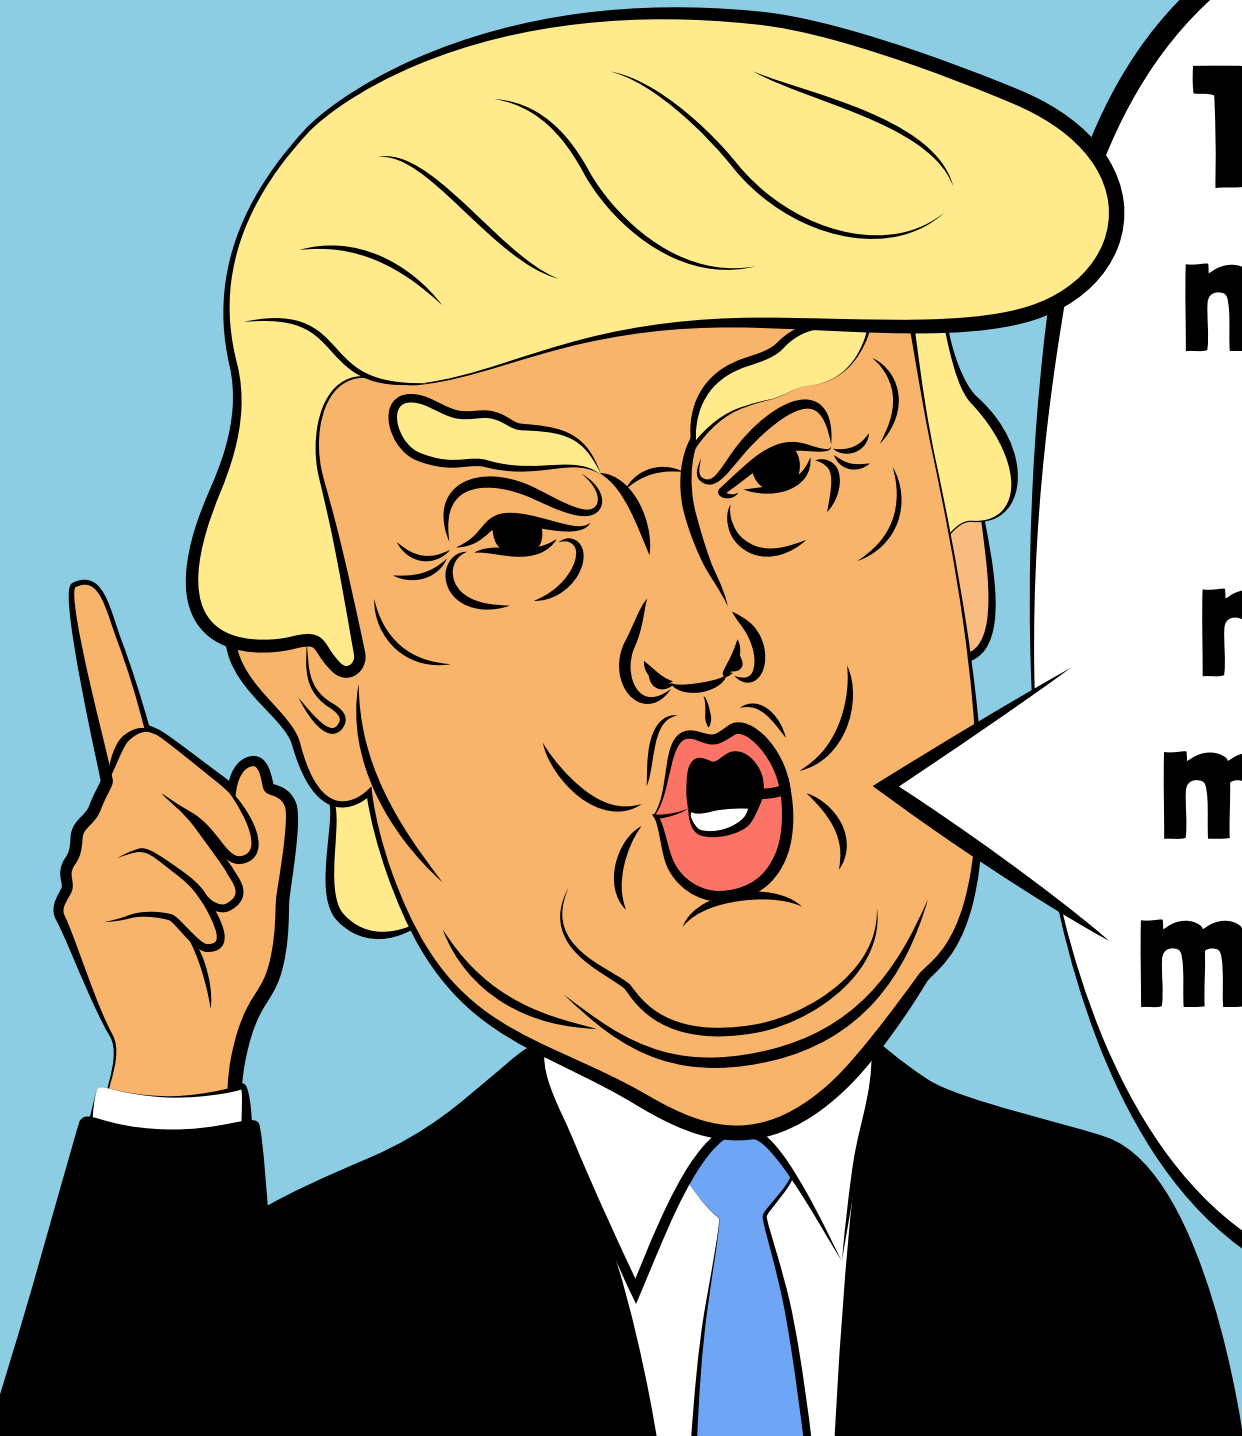

**And I only  
paid \$750 in  
taxes!**

**Can't trust  
science and  
medicine.  
After they  
cure me, I'll  
have Ivanka  
work on a  
vaccine.**

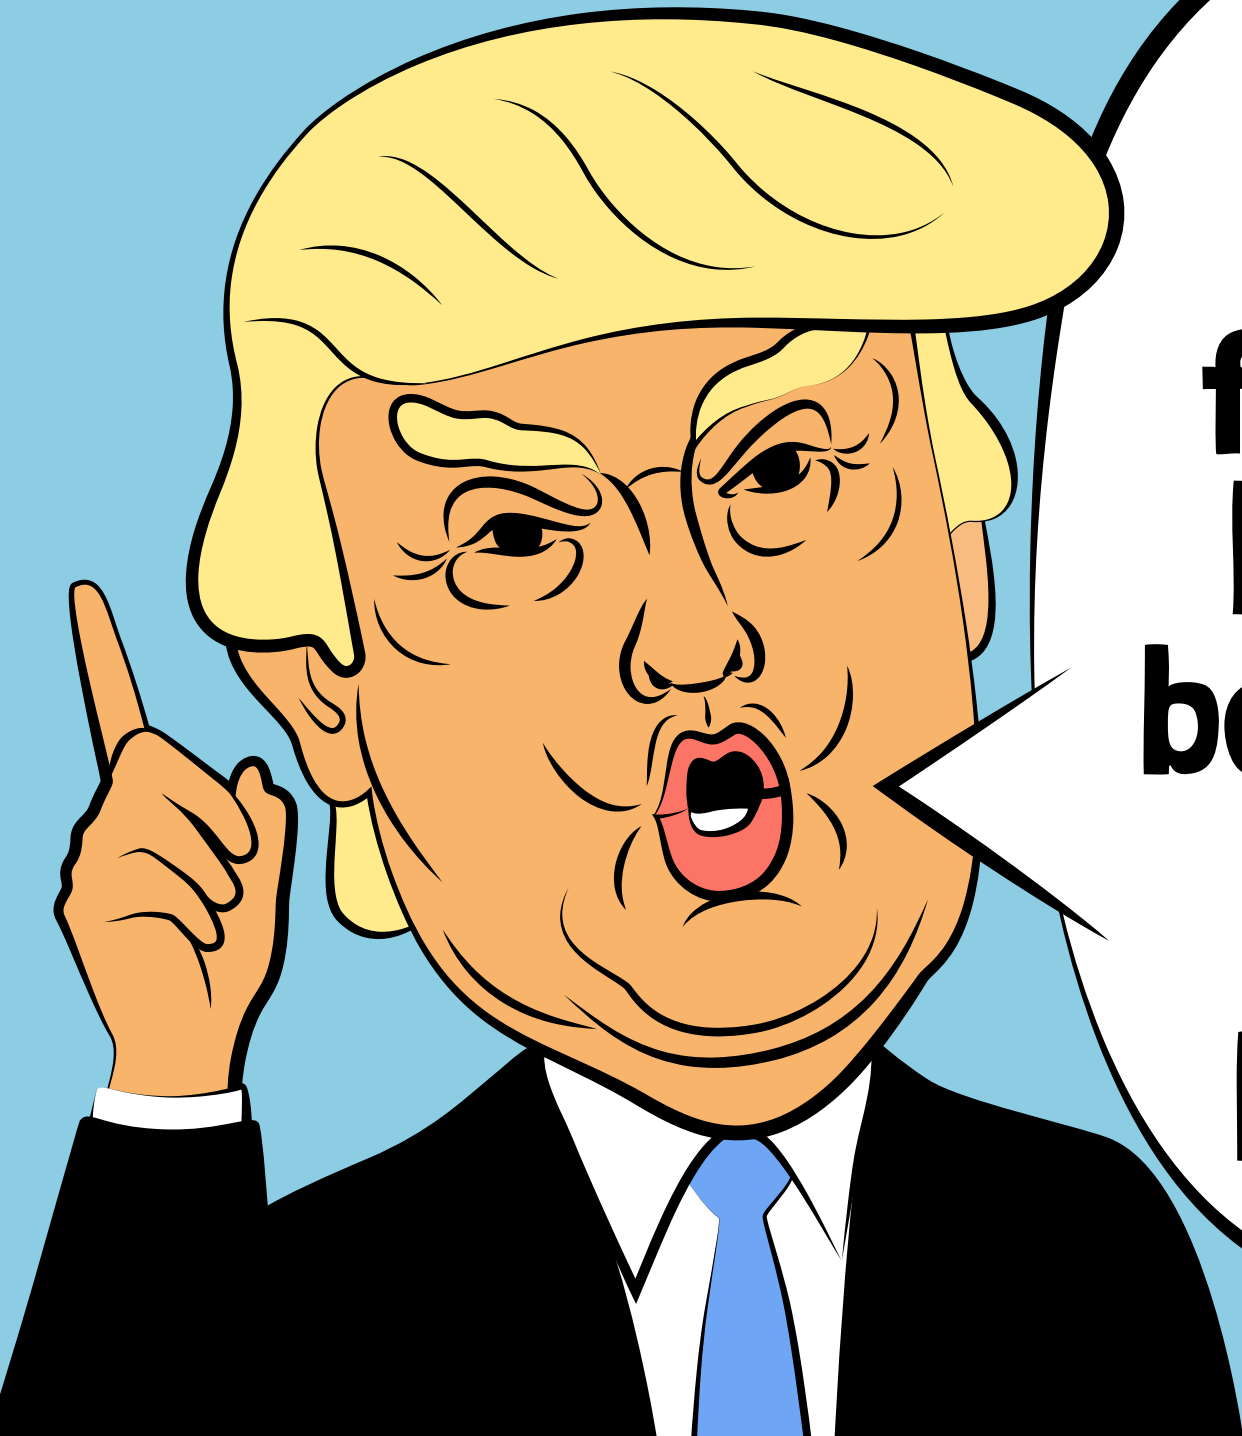

**Only  
losers  
and old  
people  
get  
Covid!**

**Too bad so  
many have  
died, but  
not worth  
messing up  
my hair with  
a mask.**

**Wheeze....  
I'm great!  
Cough. Hack.  
Super Strong!  
Gasp. Groan.  
Mild Covid...  
Oxygen,  
now!**

**I'm not  
just a  
fantastic  
liar, I'm a  
bare-faced  
liar!**

**No mask!**

**The  
president  
has the right  
to spew Covid  
on anyone.**

**Makeup!  
I need more  
bronzer!**

**I created  
a nightmare  
for doctors,  
and now they  
have to  
save my life.**

**I love being  
president.**

**The best  
doctors,  
medicines and  
round-the-clock  
care for Covid.**

**Don't expect  
that when I ax  
Obamacare.**
